Describe the nominee's most significant contribution(s) to her/his field:

I understand that electronic submission of this form is the equivalent of affixing my personal signature and I attest that all information on the nomination form and in my nomination letter is true and accurate to the best of my knowledge; that I have obtained the nominee's permission to submit materials on his/her behalf, as well as assurances that the nominee is eligible to receive the award, willing to accept it if selected, and agrees to attend the Annual Awards Ceremony and Reception.

I also understand that the Nominator is responsible to ensure the timely submission of all required supporting materials by the posted due date, and that late or incomplete submissions will not receive consideration.

All materials become the property of the Maryland Science Center and will not be returned.

Public announcement of the awards and/or release or posting of the OYS/OYE awardees' names or other identifying information by any individual or organization is prohibited until the Maryland Science Center posts or otherwise publicly releases the names of their award recipients.

I agree to all of the above
